The CDC Moratorium Eviction Order is no longer in effect for tenants. There are still public funds available to a tenant who qualifies and needs help paying rent. Information on eligibility requirements is available from the Lakewood Community Service Center by phone (216-226-6466, extension 2 or 3) or website (lcsclakewood.org). A tenant can also apply directly on line from the lcsclakewood.org website. Due to Covid-19 restrictions, applications should be done through the website.

Both tenants and landlords are strongly encouraged to explore the availability of rental assistance to avoid proceeding with evictions for nonpayment of rent.
